

PRODUCT DATA SHEET

Model FSPB2199

4 outlet foot switched with surge and overload protection

A unique foot activated power switch and a bright indicator light, make this powerboard perfect for under desk applications to stop you from crawling under the desk to toggle the power switch. It features surge protection for mains and telephone & data lines so you can protect your valuable computer, video, entertainment, and audio equipment. Extra long lead and right angle power plug to fit easily and neatly behind furniture.
